## Relevant Knowledge, Skills, and Experience

Mr. Riske possesses extensive international management experience and leadership roles, including on the executive board of DEUTZ AG and KUKA Roboter GmbH, and the executive board of KION GROUP AG. He brings corporate experience in an international context as well as CEO experience in publicly traded companies, which he combines with profound capital market knowledge, understanding of corporate governance, and a sense for value creation. In his board position at KION, he was also responsible for topics such as IT and digitalization.

Through his many years of supervisory activity on various international supervisory boards, he has solid experience in directing and overseeing companies comparable to MTU Aero Engines, including sustainability/ESG reporting. Mr. Riske contributes to the further internationalization of the supervisory board.
